It was the best of times,  
It was the worst of times,

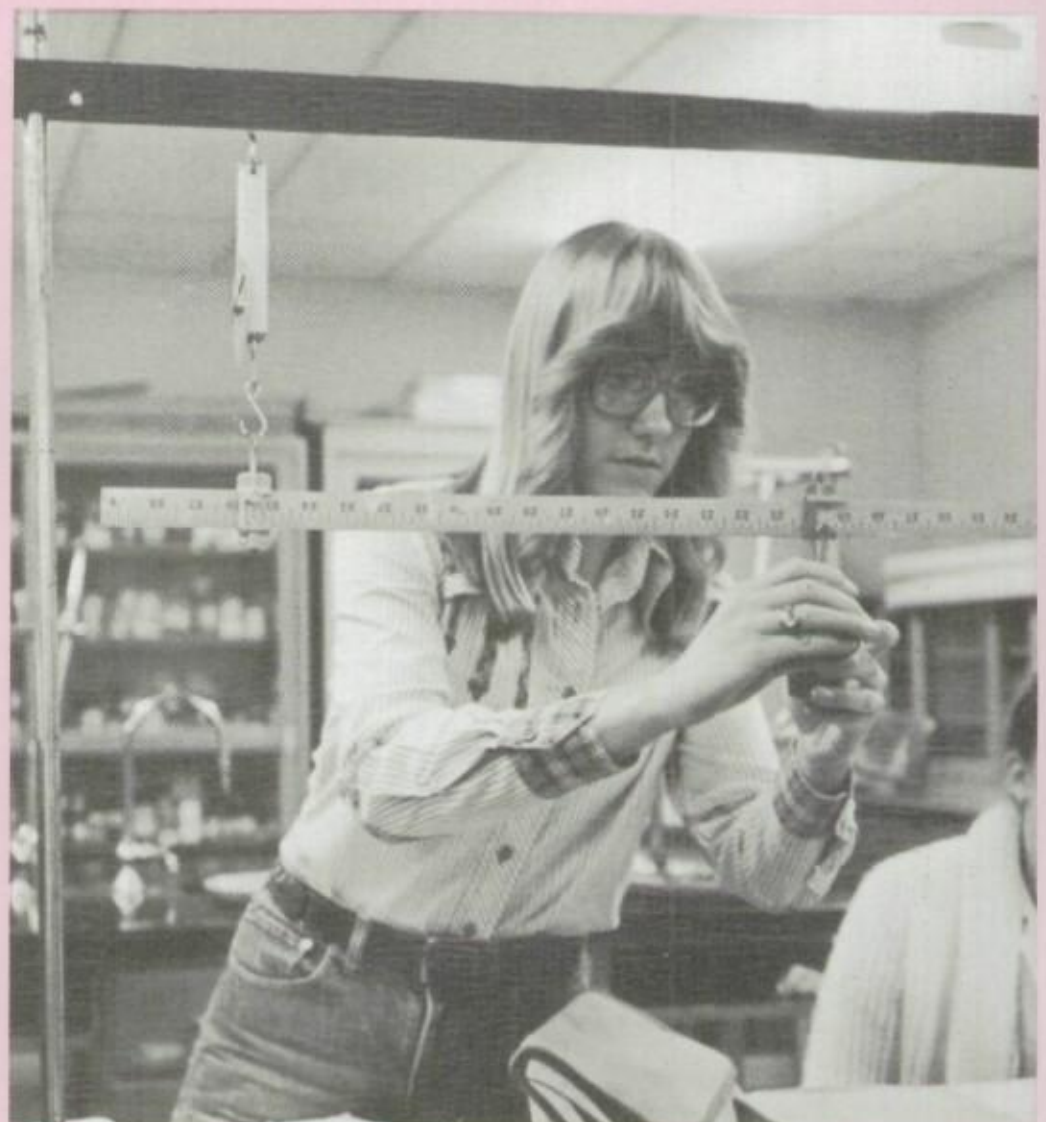

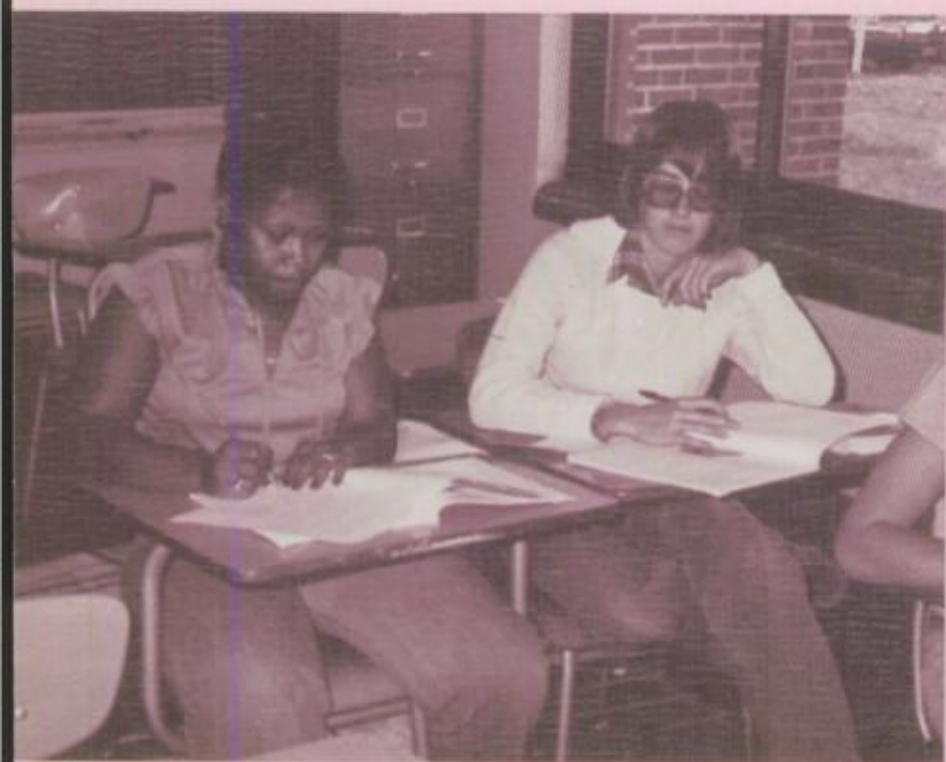

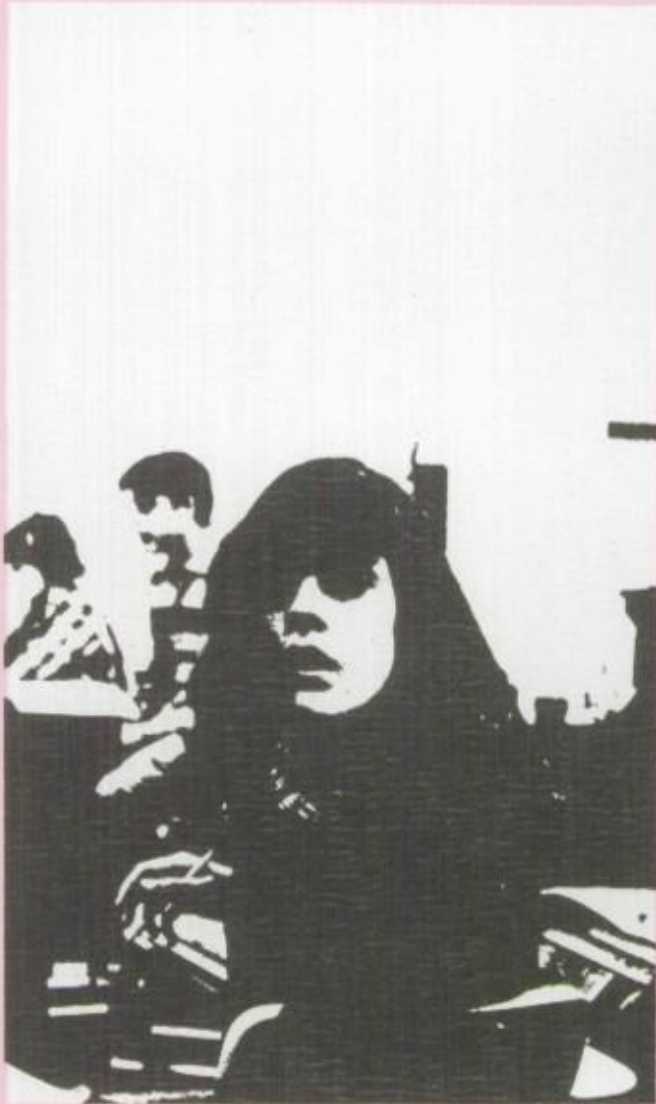

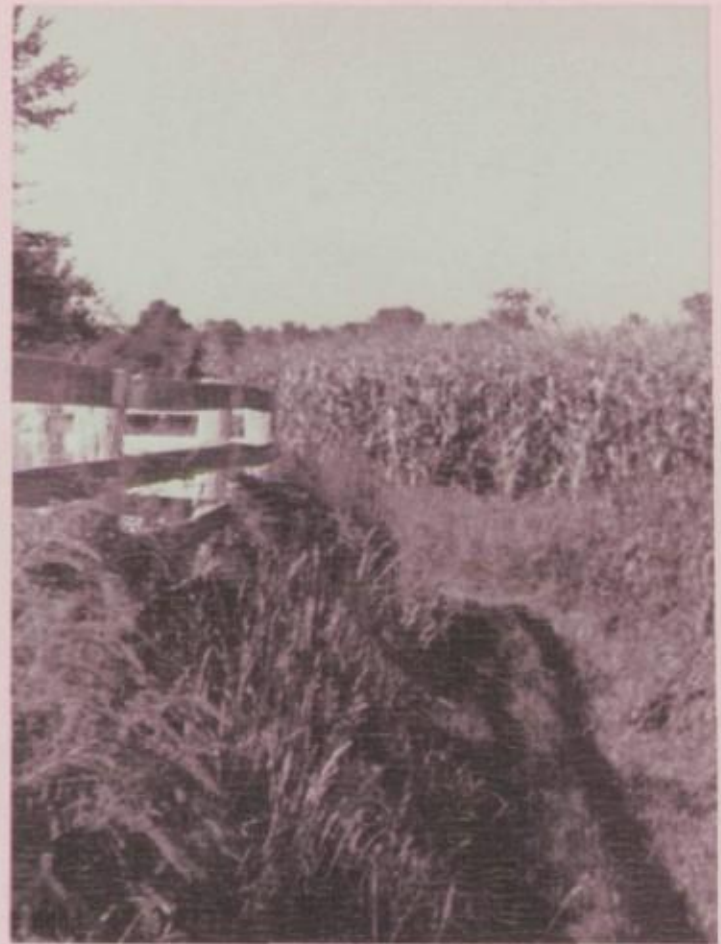

It was the age of wisdom,  
It was the age of foolishness,

It was the epoch of belief,  
It was the epoch of incredulity,  
It was the season of Light,  
It was the season of Darkness.

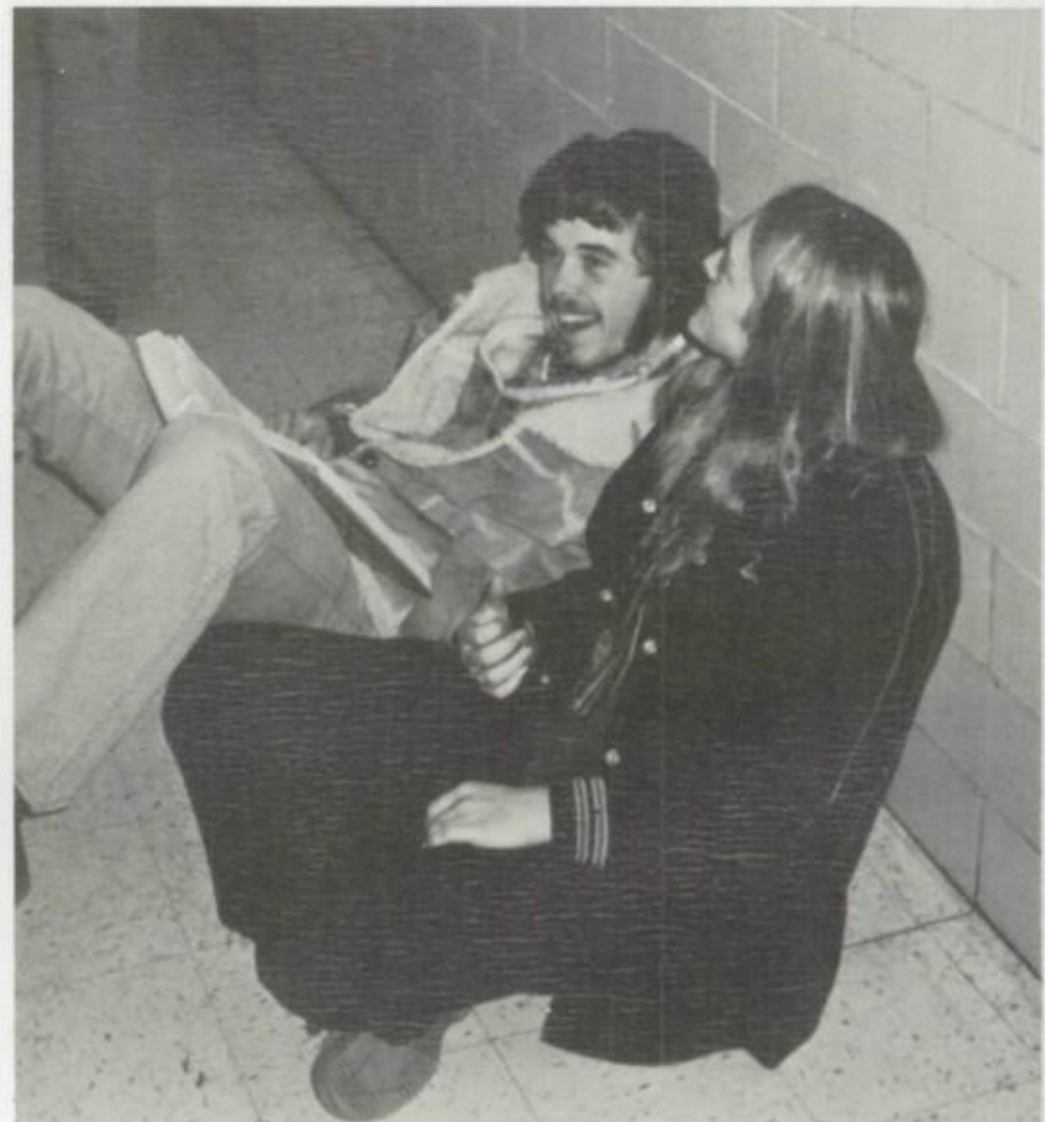

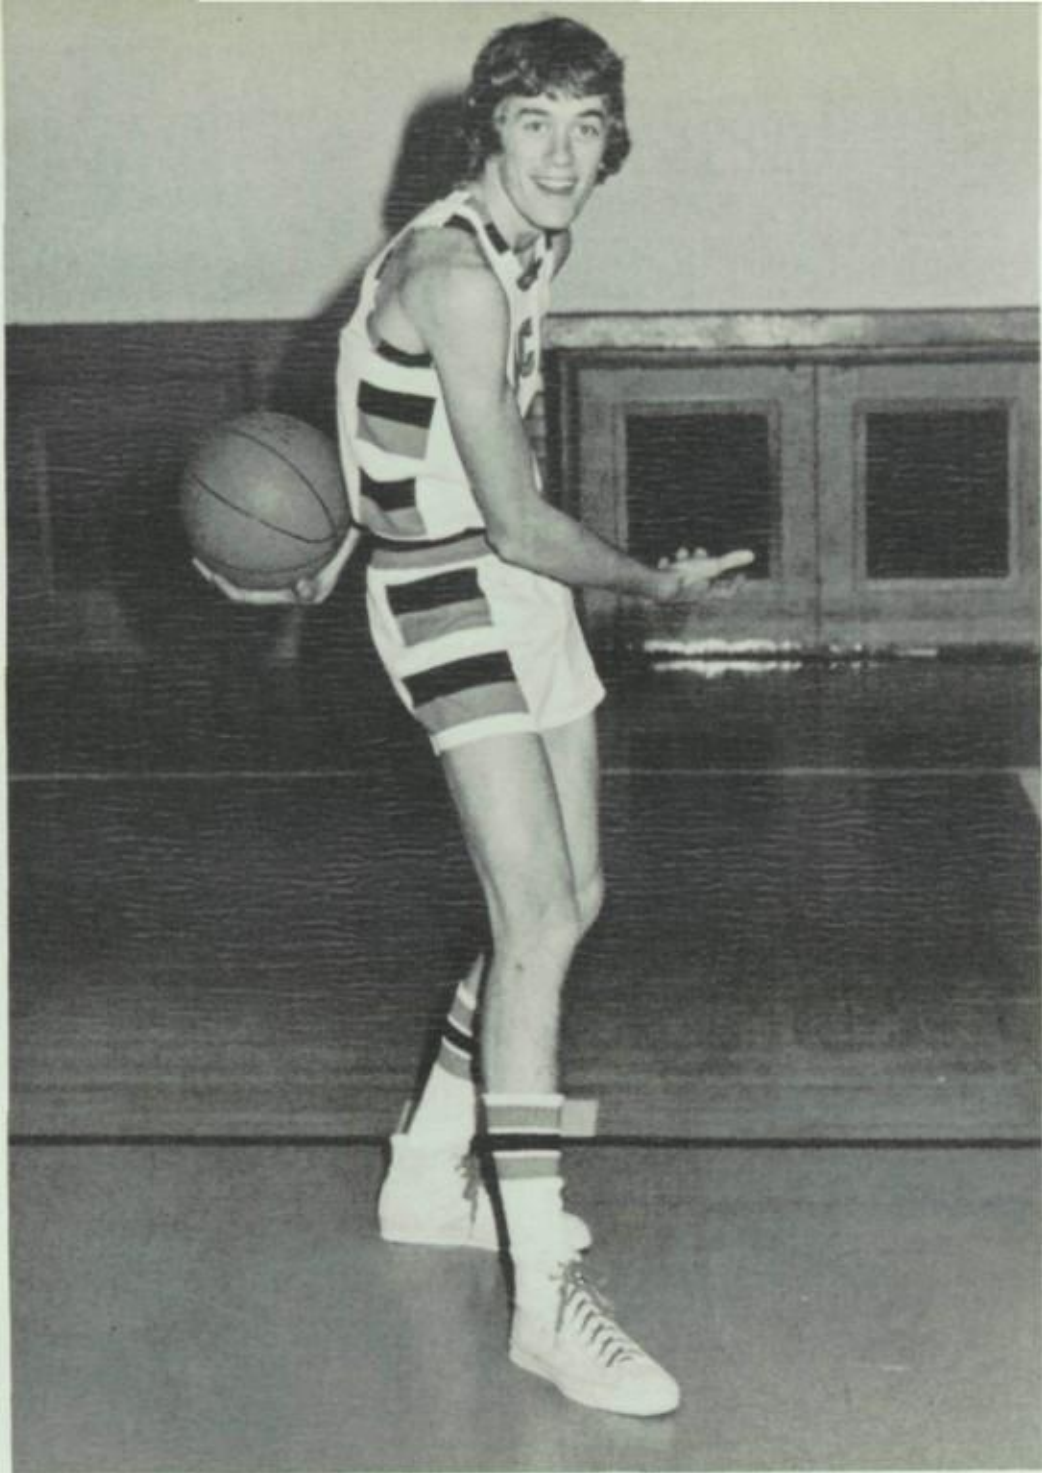

It was the spring of hope,  
It was the winter of despair.

# Autumn Homecoming '78 — A Success

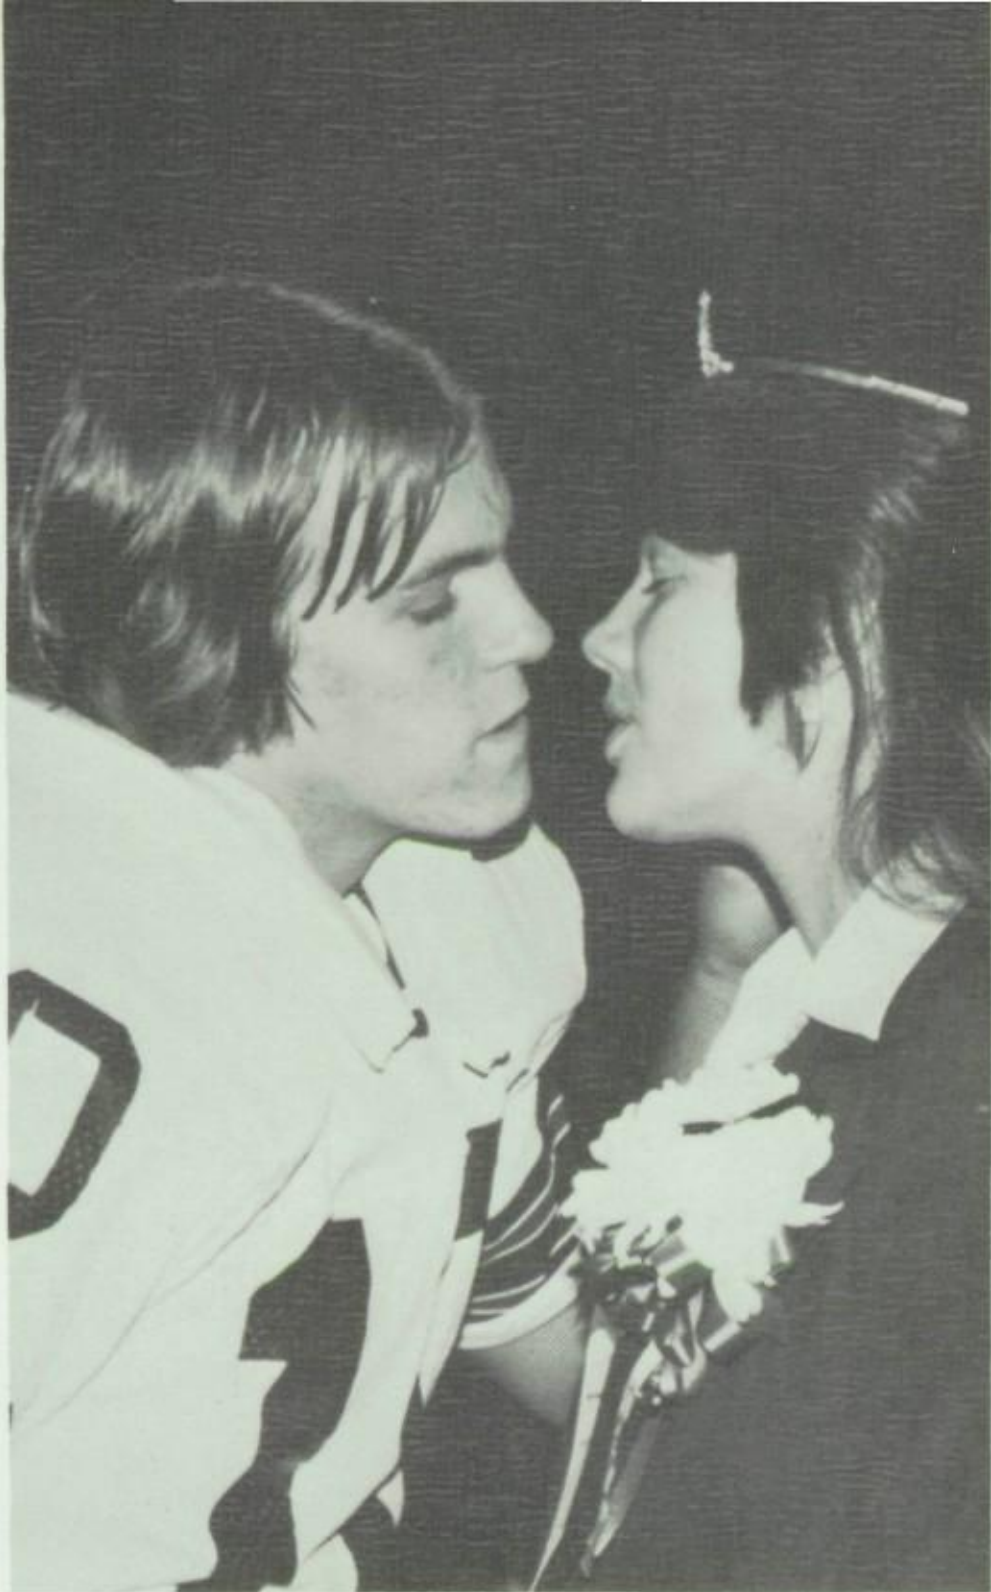

1978 Homecoming Court

QUEEN: Tammy Harless  
KING: Tom Wilson

SMACK!

Our 1978 Homecoming was an overall success. The Mighty Cubs triumphed to victory over Seneca East, 27-6, as Queen Tammy Harless reigned over the festivities. The periodic rain may have dampened the playing field, but did nothing to dampen the spirits of all who later danced to the sounds of disc jockey, Ron Allen.

# Publications At Lucas Are Gaining Subscribers

## Bear Facts

Many innovations have occurred at Lucas and the "Bear Facts" newspaper was no exception. Edited by Chris Niswander, the paper was expanded to a larger size and used the services of a new printer. The results were apparent in increased sales at the school. Ed's Dairy Bar sponsored a challenging puzzle in each issue. Kevin Little, amused all with his graphic interpretations.

# Lucas Prepares For A Future Music Program

The strength of the future music program at Lucas High School lies in the talents of the beginning music students in the Junior High. ## Unguarded Moments

# SPORTS

# Last Minute Scores Stop Cubs

Although this year's team ended up with a 2-8 record, this did not reflect the hard work and dedication that our football players put forth. Going into the 1978 football campaign the Cubs lacked experience in many areas and they could not put points on the scoreboard. Next year the Cubs will have a team that will be out to improve this years record.

Rumor has it that John Banks slides in whenever he wants to get even with Mom.

Our '79 baseball team encountered some difficulties during their season, beginning with the absence of their ball diamond. Instead, they managed to secure Wayside ball park, that is, until softball leagues began. Nevertheless they chalked up a 4-10 record along with the honor of becoming Sectional Champs. The Cubs accomplished this by first defeating Crestview, 1-0, then smashed top seeded New London, 8-4.

Tom Wilson confidently touches first base.

"Ah, look at my nice even strides, my steady pace, my poised expressions . . ."

## UNDERCLASSMEN

The Juniors main goal this year was to raise enough money to provide the Seniors with a prom. Candy sales and a dance boosted the class treasury to meet their goal. The Juniors are a vast variety of sizes, shapes, and talents. The male members of this class have taken a great interest in gourmet cookery and provided the faculty with several noontime feasts. Junior athletes are hopes for future teams and all the programs should be stronger next year as a result.

Sophomores bought their class rings this year. From \$60 to \$100 and a whole lot in between is what the sophs had facing them when they made that big decision. Leadership in high schools is most evident in the senior class, but what has to be remembered is that the training took place in the underclassmen years. Sophs worked hard this year to increase their treasury by selling wrapping paper, sponsoring dances, and trying to pawn off last years old spirit buttons.

The Freshman class is one of the largest at Lucas High, proving the Frosh do have "class". The 82ers had a successful dance in October and then it was on to selling popcorn. The Freshmen have a hopeful future ahead of them in athletics. This years Frosh basketball team was one of the best ever, ending the season with a 7-6 record.
